

Testimony of

Cheri Beaulieu

Manchester Educator

Before the

Education Committee

March 15, 2023

Good afternoon, Senator McCrory, Representative Currey, Senator Berthel, Representative McCarty, and members of the Education Committee.

I testify today in support of House Bill 6884. This bill takes important steps toward addressing the educator shortage in Connecticut, showing educators that theirs is a respected profession, and ensuring that our classrooms and schools can provide the best possible education for our students.

The teaching profession has become so much more difficult. This bill will help to ease some of that extra burden.

Thank you for your time and consideration.
